“The face of mental illness is not the face of a stranger. It is the face of our neighbors, coworkers, family, friends and, sometimes, us.”

NAMI National

18th Annual NAMIWalks NH!
Sunday, October 4, 2020 • Concord, NH

Every year, mental illness impacts the lives of one in five adults and children across the United States. Last year, NAMI New Hampshire provided support, education and advocacy to more than 15,000 Granite Staters affected by mental illness – adults, children, and their families.

Please join the thousands of dedicated walkers and generous sponsors who have invested in stomping out stigma and supporting the vital work of NAMI NH for well over a decade.
